| Teacher/Associate (additional forms of classes) | Prof. Dr. Radomir Popović; Dr. Ivica Čairović | | |
| ECTS | 5 | Course status (obligatory/elective) | |

| | |
|-------------------|--------------------------------|
| Attendance | Enrolled in the third semester |
|-------------------|--------------------------------|

| | |
|--------------------------|--|
| Course objectives | Acquisition of theoretical knowledge of the basic movements in the life of the Christian Church during the first millennium of Christian history. Mastering analysis of source documents from the aforementioned period. |
|--------------------------|--|

| | |
|--------------------------|--|
| Learning outcomes | Development of basic theoretical and methodological academic competencies in the field of the history of the Christian Church and the accompanying applicative skills of direct analysis of churchly and historical processes in concrete source texts with the help of objective research methods and techniques. |
|--------------------------|--|

Course content

| | |
|-----------------|--|
| Lectures | Understanding history and the Church itself in light of the Bible and Revelation. A review of source texts and examination of historiography both in the East and in the West, including Serbian historiography. Following the history and existence of the Church in the first eleven centuries up until the Great Schism (1054). |
|-----------------|--|

| | |
|--|--|
| Practical classes (exercises, additional forms of classes, research work) | The same thematic units in applied contexts, with an insistence upon competent analysis of relevant primary source texts. Due to the specific nature of the Orthodox Theology Faculty of the University of Belgrade, the teaching process includes two separate courses of study (pastoral-catechetical and practical-liturgical praxis) |
|--|--|
